Join us this Tuesday, April 28, for a weekly webinar where we will walk you through the challenging landscape of resources, tools and solutions to help your business during this challenging crisis.

### WHAT YOU CAN EXPECT:

Learn more about the brand new Pandemic Unemployment Assistance Program through the state of California Labor and Workforce Development Agency. We will also be providing more information on local grants, loans and financial resources available at the local level. After the overview, we have the following four breakout rooms to dive deeper into the nitty gritty of your business to further answer specific questions.

### BREAKOUT ROOMS:

- Sole Proprietors
- Small Manufacturers
- Retail Businesses
- Other
